

Taking Us Out to the Ball Game

Board Director Suzanne Bolton, Jeff Mooney and the Vancouver Canadians Donate
Baseball Game Tickets to Community Living Clients

May 2011 - GVCSS wishes to thank Board Director Suzanne Bolton, her husband Jeff Mooney, and the Vancouver Canadians Baseball Club for their extremely generous gift of baseball game tickets to our Community Living program. Their kind donation will allow 28 Community Living clients the opportunity to attend a home game played at Nat Bailey Stadium this season! Premium seating has also been arranged for those who are in wheelchairs: close to the field and right at the heart of the action along the third base line. GVCSS is deeply appreciative of this exciting gift to our clients - sports fans who have been enjoying Canadians' baseball games for years. Community Living looks forward to a fun summer out at the ball game!
