

The Real Canadian Superstore Donates \$1000 to GVCSS' Care Packages

August 2011 – GVCSS would like to thank the Vancouver Grandview location of the Real Canadian Superstore for their very generous donation of \$1000 to our Care Packages initiative. This gift will go towards the purchase of goods for 400 gift baskets that will be given to our clients in need this coming holiday season. Care Packages will include the following items: non perishable food; personal care products (toothpaste, toothbrush, soap and shampoo); items for warmth including gloves and hats; items for comfort such as coffee, tea, and chocolates; and one luxury gift, a bath robe. Recipients with children will also receive toys in the gift baskets.

This December will be GVCSS' fourth year giving out Care Packages to our less fortunate clients, many of who live with mental illness on a fixed income in Vancouver's Downtown Eastside. It is an opportunity to include them in the festivities that many of us take for granted. For many recipients, the Care Packages are the only present that they will get.

GVCSS is very grateful to our donors, whose contributions make this important project possible. We would like to thank the Real Canadian Superstore for making such a generous donation and showing their commitment to the community.
