

GVCSS Receives One-time Grant From Minister of Children and Family Development
April 14, 2008

GVCSS is extremely pleased to report that our Society is the recipient of a one-time grant from the Ministry of Children and Family Development. This grant in the amount of \$20,000 was confirmed in a letter sent by the Minister (Tom Christensen) on April 14th where the Minister explained that accredited agencies were receiving financial assistance to offset capital and associated program costs.

GVCSS is grateful for the financial assistance and on-going support provided by the Ministry and Community Living British Columbia, and according to GVCSS Executive Director Ron McLeod, this one-time grant will be used to improve the services delivered to adults with developmental disabilities who reside in the Society's six (6) group homes.
