

**Congratulations to Steven Campbell – Custom Transit Driver/Simon Fraser
HandyDART
CWSA VOLUNTEER OF THE YEAR
*December 2007***

GVCSS congratulates HandyDART driver Steven Campbell who recently received notice that he is the recipient of the 2007 Canadian Wheelchair Sports Association (CWSA) Volunteer of the Year award.

Fourteen (14) years ago Steve was inspired to become involved in wheelchair athletics after seeing a sign on wheelchair rugby while visiting a friend at the GF Strong facility. Since that time Steve has volunteered his time with wheelchair rugby and has worked as the equipment manager, a challenging role which requires him to manage 8-10 players with wheelchairs, equipment and luggage while competing on 3-4 day trips. Steve's long term association with BC Wheelchair Sports was augmented when he joined the BC Wheelchair Sports Provincial Developmental Team in 2000 and more recently when he took on activities with wheelchair hockey. Steve also received the 2004 Volunteer of the Year Award for BC Wheelchair Sports. He is recognized by others in wheelchair sports as an excellent team leader, successful fund raiser and great support to new players. Great work Steve!
