## GVCSS Christmas Goodie Boxes

The annual GVCSS Christmas Goodie Boxes are going to be distributed this December to clients who go with less over the holidays and through out the year. The hampers include socks, hats, gloves, toiletries, canned food, chocolate, hot drink sachets and personal care items. This year, the hampers will also include a pillow and pillow case.

Deliveries will be made by GVCSS employees to recipients, many who live in the Downtown Eastside.

The Christmas Goodie Box committee members would like to thank all GVCSS staff who donated canned food and socks. Your generosity is greatly appreciated!

GVCSS would also like to recognize Shoppers Drug Mart and Save On Foods for donating items for the Christmas Goodie Boxes.
