

Home Support: Community Health Workers (mornings, evenings and weekends)

Greater Vancouver Community Services Society is looking for Community Health Workers with the right combination of compassion, skills and dedication to assist our Home Support clients, including seniors and individuals with physical and developmental disabilities.

If You Are:

- Passionate about helping others
- Able to commit to a schedule on a long term basis
- Available to work immediate, morning, evening and weekend hours
- Looking to enjoy unionized compensation
- Interested in receiving further training to upgrade your skills
- Able to understand and communicate in English verbally and in writing
- Registered on the B.C. Care Aide Registry

Then please apply now online at: <http://www.gvcss.bc.ca/jobapp.htm>

No driver's license required.
